RADIO SYSTEM

STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on
September 20, 2010 between Applicant's representative Ebenesar D. Thomas and Examiner
Kamran Afshar:

REMARKS

An Examiner's Interview Summary Record (PTO-413) was mailed on September 28,
2010.

During the interview, the following was discussed:

1. Brief description of exhibits or demonstration: None.
2. Identification of claims discussed: Claims 2, 16 and 17.
3. Identification of art discussed: Landais.
4. Identification of principal proposed amendments: Examiner proposed amending
independent claims 2, 16 and 17 to recite the features of claims 9 and 10 and further amending

them to include the features previously deleted from claims 2, 16 and 17 in the amendment filed August 5, 2009.

5. Brief Identification of principal arguments: Applicant's representative argued that Landais does not teach or suggest the features of "a mobile station sending to the network, for signaling data transfer requirements, an EGPRS (Enhanced General Packet Radio Service) packet channel request." No agreement was reached.

6. Indication of other pertinent matters discussed: The Examiner argued that Barany reference (U.S. 7,302,251), which was not previously cited in the Office Action, allegedly discloses the claimed feature discussed above. No agreement was reached.

7. Results of Interview: Applicant will take Examiner's remarks and proposed amendments into consideration.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee and the Publication Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

/Ebencsar D. Thomas/
